Comment. Rail shipments dispatched from the hydrogenation plant in
Schwarzfeide were again consigned to fuel depots of the Twenty-Fourth Air
Army which,
As compared with the provious months, the volume of shipments increased by
about 25 percent.

Comment: Possibly Odraport,
Comment. The majority of the snipments from Leuna was consigned to
GOFG and army fuel depots in East Germany, which were reported previously

A small portion of the shipments was dispatched to Poland,
probably to Soviet units stationed there. As compared with March 1953, the
shipments increased by about 10 percent.
